2.01.26 Employee Time Recording

The **Employee Time Recording** form records and administers various time bookings in the system. Various time bookings are entered through the action create time booking in the employee form. Hours for the accounts, special hours, flexible time, overtime and holiday can be added or debited. Additionally, the corresponding time booking in which the transaction has been added or debited is displayed.

Tip: For more on this subject see chapter [4.1.07 Work Time Administration](#).
