Main Job Item Misc

Foreign invoice 00495

Position 79-1

Description Projectile Standard Version

Project 162 Indroduction Projectile

Amount net 3.361,34 EUR

Value added tax USt-D-19%

Amount gros 3.999,99 EUR

Cost Project costs

Note

On the "Main" tab:

- **Foreign invoice:** This field assigns a unique identification number to the foreign invoice, which is automatically defined from the system.
- **Position:** This field species the number of foreign invoice positions, based on a unique number preset from the system automatically.
- **Description:** In this field the description of the foreign invoice position is entered.
- **Project:** In this field the project is assigned for the foreign invoice position.
- **Amount net:** In this field the net amount of the foreign invoice position is defined. If the total amount and the value-added tax is entered, the system calculates this value automatically.
- **Value added tax:** By selecting the value-added tax / purchase tax, the total amount of the position is automatically calculated. The value-added tax can be defined and modified in the value-added tax form.
- **Amount gros:** This field specifies the total amount of the foreign invoice position. If the net amount and the value-added tax is entered, the system calculates this value automatically.
- **Cost:** This field specifies the cost type of the invoice position. The cost types can be defined and modified in the cost type form.
- **Note:** This field is designated for comments regarding the invoice position.
