2.06.02 Billable Time

Performed work/effort is not always approved for billing as has been recorded. The entered times for invoicing in Projectile (see chapter [4.4.5 Invoicing](#)) can be calculated. This functionality is used predominantly from project leaders for preparing the invoicing.

Note: This functionality is also available in TimeTracker and can be configured in the TimeTracker_Default (see Administration Guide)!

Date	Job	Employee	Note	Time	AssessableTime	Checked
Di, 27.03.2012	213-1	Carter Simon		3:30 h	17:30 h	<input type="checkbox"/>
TotalSum						17:30 h
