These actions are defined using the function "New document" in the document type "contact person":

The screenshot shows the 'Contact Green John' window. The 'TimeEntries' section is active, displaying a table with one entry. A dropdown menu is open for 'New document'.

Name	Date
1 Action 6-6	23.11.2009 11:00:00

The system generates a new document with the type “action” and populates the contact person and other various values automatically.

The screenshot shows the 'Action 5.2-1 Green John' form. The 'Master data' tab is selected.
